WRITING

Films

I enjoy fantasy and horror films the most. But I can watch some other genres as well.

Personally, I prefer watching films at home than watch them at the cinema. In my honest opinion, watching something at home is much easier. I can choose whatever film I want to watch, not only films that ^{were} translated at the cinema at the moment. Besides, I could watch it in any position I want to, it doesn't matter if I sit, lay or stand! And my personal favourite thing that I can eat anything I want. Cinemas often let you only buy something from them, you can't take food from home. And they usually have really small amount of things to ^{choose} choice. Like popcorn or soda. That's why I prefer watching films at home in my cozy bed with some tasty food.
